

# Supporting our communities

At Canaccord Genuity, we take great pride in contributing to the communities where we live, work and play. That's why we feel privileged to be the title sponsor of the Canaccord Genuity Great Camp Adventure Walk to benefit The Hospital for Sick Children.

Each year, more than 100,000 patients from communities all across Canada travel to SickKids to access their world-class care. As well as investing in groundbreaking research programs, SickKids collaborates with clinicians and healthcare organizations worldwide to better the lives of children not only here at home, but internationally.

At the second annual Canaccord Genuity Great Camp Adventure Walk, which recently took place in downtown Toronto on September 27th, more than 2,000 participants raised over \$1.8 million for SickKids. For the second year in a row, Canaccord Genuity was the top fundraising company. The Canaccord Genuity Wealth Management team contributed to this success by sponsoring, volunteering and walking at the event.

The opportunity to give back continues at next year's Canaccord Genuity Great Camp Adventure Walk on September 26, 2015. To learn more about how you can contribute to improving kid's health by participating, visit [WalkforSickKids.ca](http://WalkforSickKids.ca).
